Join us for open house #2!

The District is hosting a second open house to discuss the bond in the May 2025 election to replace the Main Fire Station to meet the needs of our community. View the preferred exterior design concept, site, and floor plans based on input we received from our first open house and tour the existing facility.

January 23, 5:30–7:30 p.m.

Hoodland Fire District Main Station 351 Replacement Project

Join us for an open house to learn more about the proposed new Main Fire Station 351 and provide your feedback.

The current Main Fire Station 351 has outlived its useful life and cannot be remodeled to accommodate required needs due to the size of our current site. Hoodland Fire District (HFD) is developing plans to replace the existing Main Fire Station 351 at a new location nearby to meet the needs of our growing community and keep our first responders safe.

A presentation will take place on January 23 at 6:30 p.m. with opportunities for facility tours starting at 5:30 p.m.
